WE PREVENT BED BUGS!

Guaranteed Prevention Service

Guest rooms are inspected, treated and guaranteed twice annually.

This is our 5th year offering this service and the results have been exactly what our customers have wanted.

ALL of our clients have renewed this service!

Here's what a couple of them had to say:

L. Sentman (Indy GM) said, *"We will be using this bed bug preventive maintenance program again. It works!!"* Contact info available upon request.

N. Talati (IN Mgr) said, *"After your prevention service we don't have problems with bed bugs, or guest complaints".* Contact info available upon request.

A. Cummins (IN Mgr) said, *"We just renewed our contract for the bed bug prevention service and are likely to continue doing so."* Contact info available upon request.

The cost of this service is \$40 per room per year.

Created by our Associate Certified Entomologist "ACE", this twice a year Prevention Program will find your current Bed Bug infestations and then prevent them in your hotel for the entire year!
